Parent and Teacher Guide

Studies have proven learning is enhanced through the use of several senses. A recent study shows that we retain 10 percent of what we see, 20 percent of what we hear, and 50 percent of what we see and hear. But when we see, hear and do, we retain 90 percent of the information.

(Lisa Marie Nelson, Ph.D., Author "The Healthy Family Handbook").

The purpose of this Resource & Activity Book is to help children learn and retain the story theme and principles in a fun and educational way. Your children will love coloring pages, solving puzzles, matching games, completing word searches, and much more! Each Resource & Activity Book also features challenging questions and activities for children from preschool through middle school. And in the rare case you don't know an answer, there's an answer key in the back.

LEVEL OF DIFFICULTY

The activities in this book are designed in three levels of difficulty and segregated into two challenging sections. The Level One section of the book contains activities geared towards younger children while the Level Two section contains activities that are more challenging. Each activity also includes a symbol designating the difficulty level of that activity. The activities with one symbol are easy for most children while the two and three symbol activities become increasingly challenging for older children.

RATING

When the prodigal son's money ran out, he had to look for work. A farmer gave him a job feeding me. Since there was a famine in the land, there was very little food. The prodigal son was so hungry he ate the food he fed to me. To find what I am, color or shade in all the areas that are dotted.

How does the story of the prodigal son show us what could happen if we live unwisely? Read Luke 15:14-16 and answer the question in your own words in the blanks below.

“Father, I have sinned against heaven
and in your sight, and I am not worthy
to be your son.” *Luke 15:21*

JOURNEY HOME

The prodigal son's father loved his son very much. He welcomed him home and forgave him. Jesus told this story to show us just how much God loves us.

In the maze below help the prodigal son find his way home to his family.

When the prodigal son came home, there was something he needed to ask of his father. This is something we must ask God for when we sin. God promises that he will give it. To find what it is, follow the three steps below.

Step One: The math problems below have letters instead of numbers. Match the letters with the numbers from the Code Box to solve each math problem. Then write the letter that matches its numbered answer in the box below the problem. The first one has been done for you.

When the prodigal son returned home, his father gave a surprising order. Solve the two-part puzzle to find what it was.

Step One: Starting with the “A” in the upper left corner, draw a continuous line through the letters of the alphabet in their correct order. When you get to “Z”, begin again with “A”. You may move one space at a time in any direction — up, down, sideways, or diagonally.
