

## Activity Time

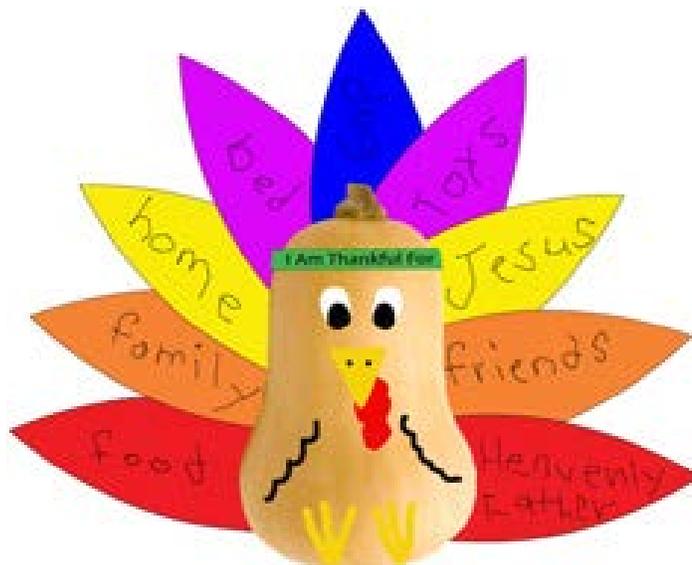

*Approximate time: 15 minutes*

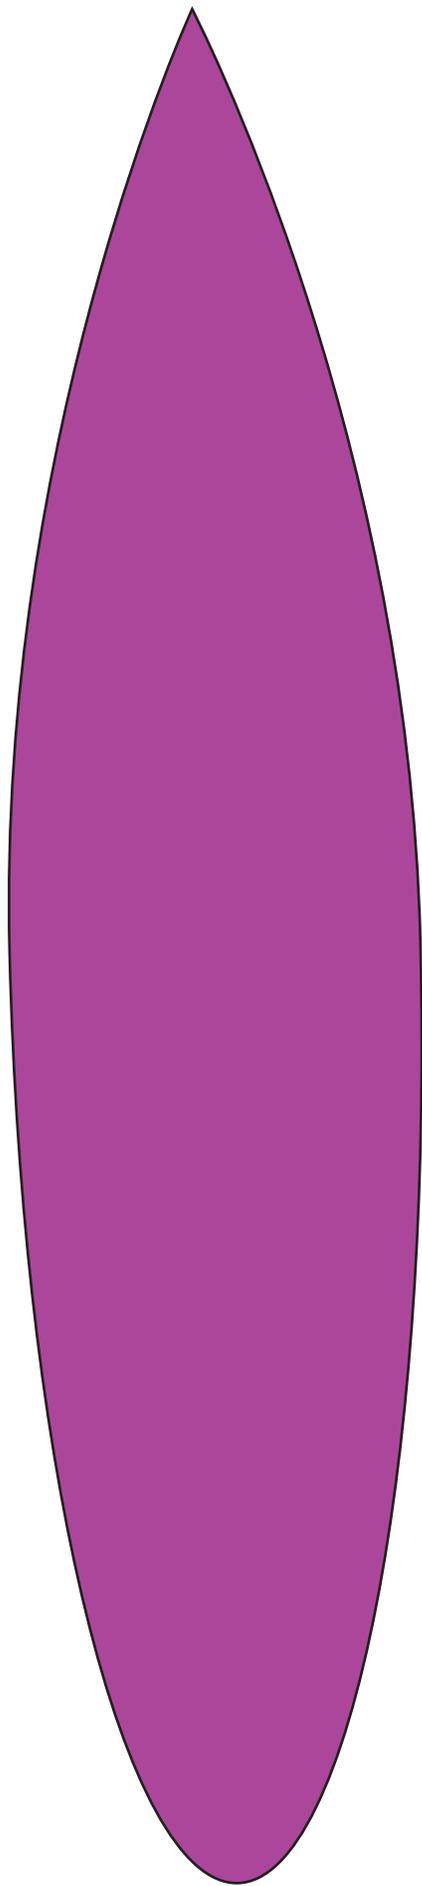

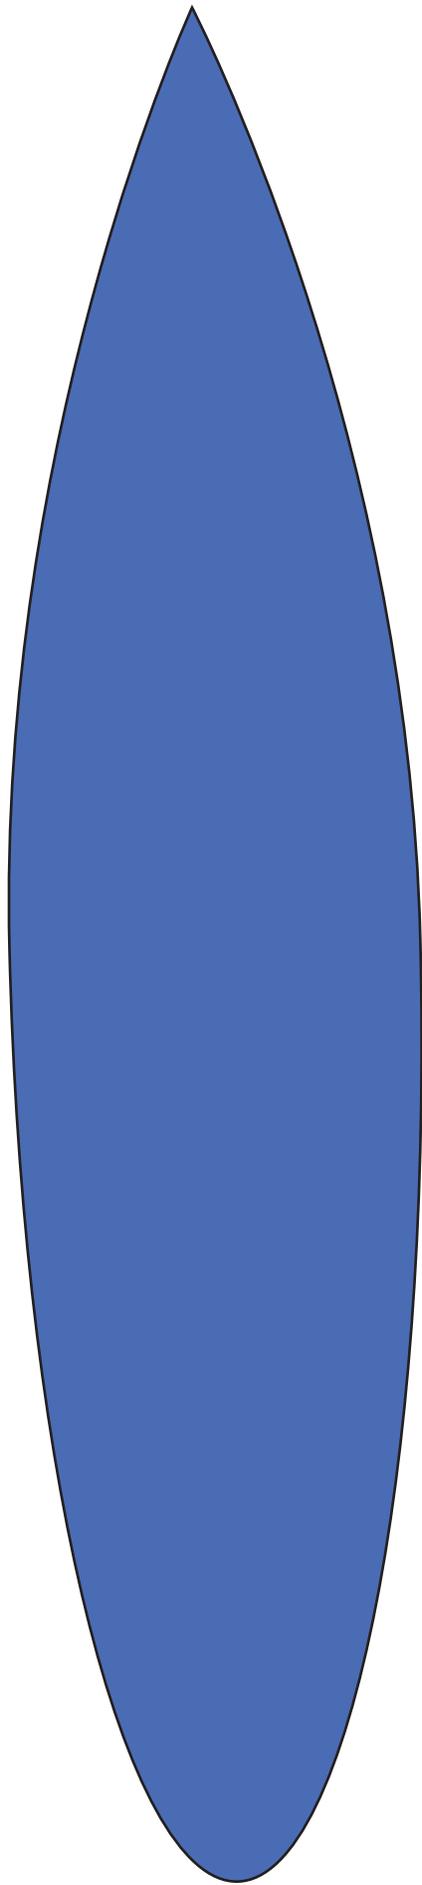

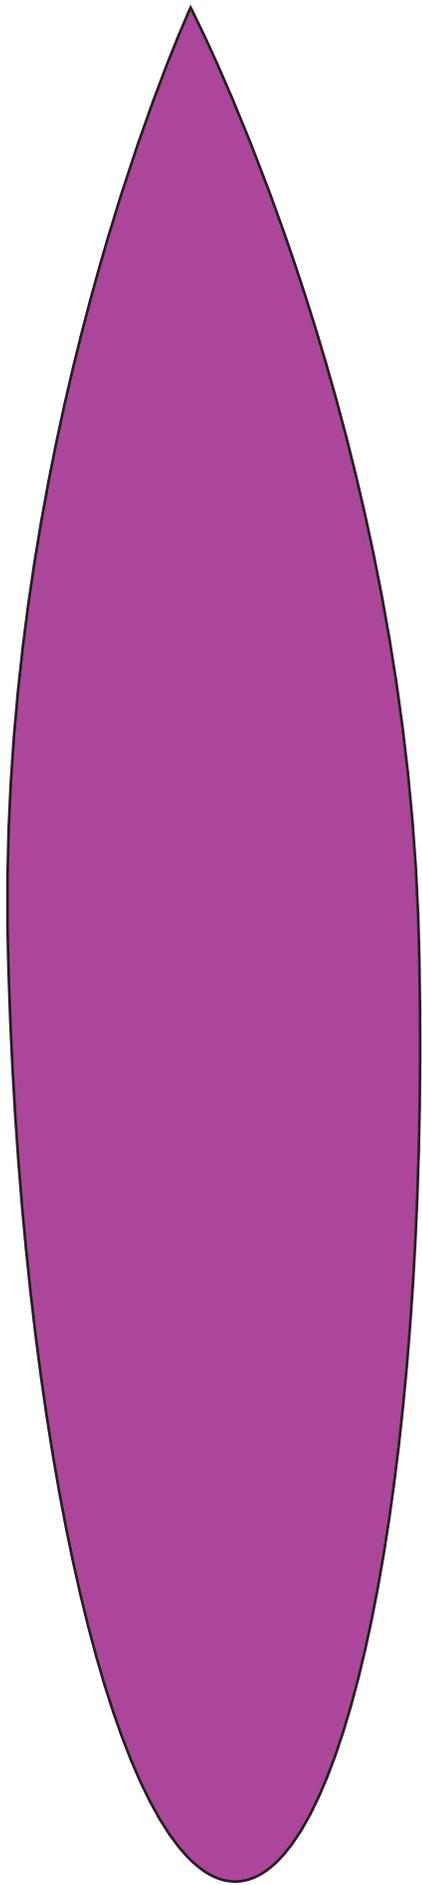

**What you need:** *A copy of the “Thankful Turkey” activity and a small Butternut squash for each family member, tape, magic markers or paint and scissors.*

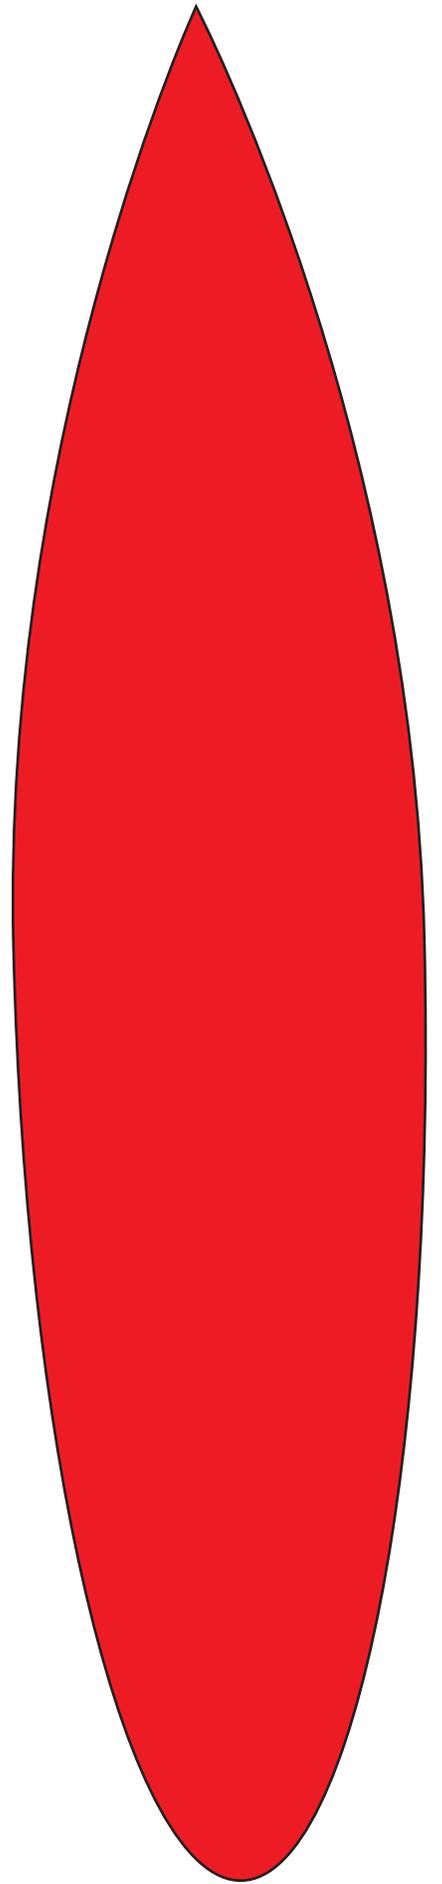

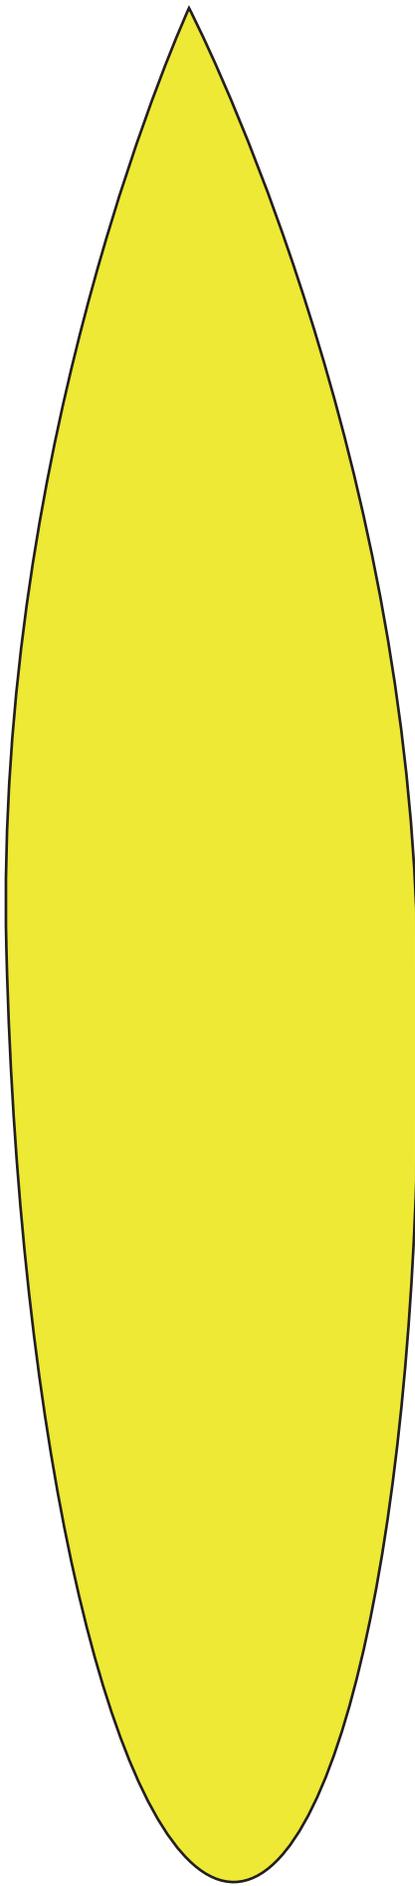

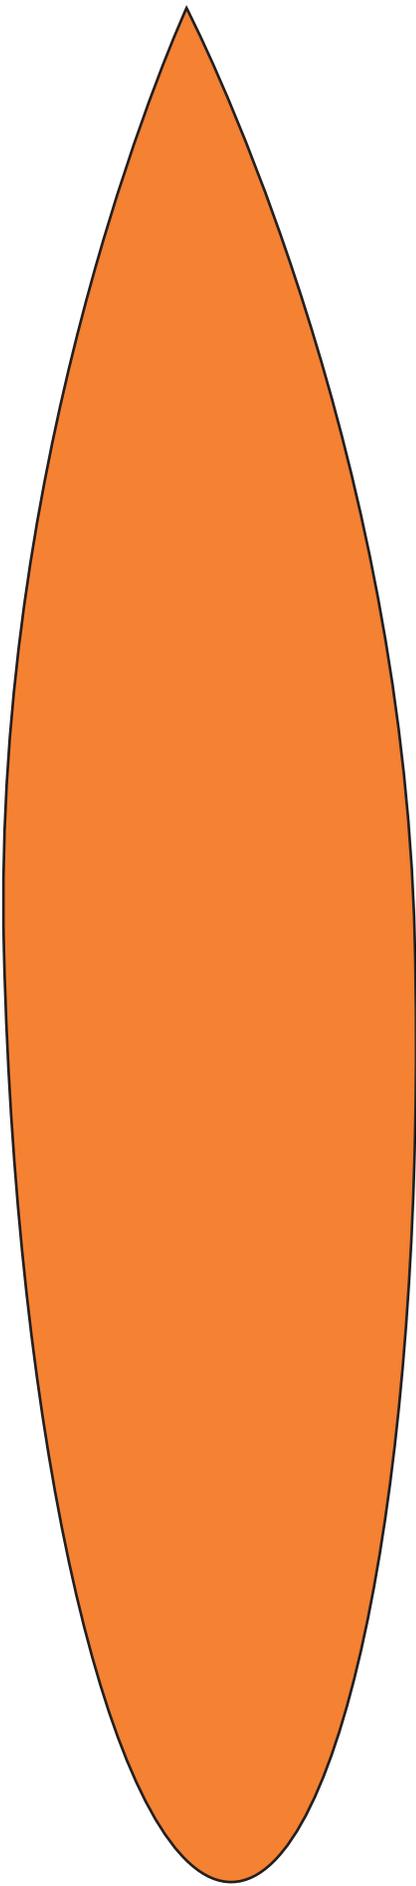

**Preparation** *1. Print and cut out the artwork.*

**Activity:** *(Younger children will need help from an older sibling or parent.)*

- 1. Give each family member a set of feathers, a headband and a squash.**
- 2. Draw a face and wings on the squash.**
- 3. Tape headband on squash.**
- 4. Talk about all the many things you are thankful for. Talk about how there are both material things that make our lives more comfortable and spiritual things that bring true joy to our lives that we can be thankful for, and how all these things are gifts from a loving Heavenly Father.**
- 5. Have each person write one thing on each of their feather that they are especially thankful for this year.**
- 5. Tape feathers to squash to make a turkey tail.**
