

Activity Time

Approximate time: 20 minutes

What you need: A copy of the “Prayer Children” activity (If desired, print a prayer child for each of your children), scissors, glue, heavy card stock and brass fasteners.

Preparation

1. Print out the artwork.
2. Cut along black solid lines.
3. Put “Prayer Children” together by following assembly instructions included with this activity.

Activity: Use the “Prayer Children” to show and discuss how to prepare for prayer.

1. Why do we kneel to pray?

Read: (3 Nephi 19:16) “And it came to pass that he spake unto the multitude, and commanded them that they should kneel down again upon the earth, and also that his disciples should kneel down upon the earth.”

Help the children understand that we don't always kneel when we pray, but when we do it shows Heavenly Father the utmost respect.

(Fold “Prayer Children” at knees. Fan “Prayer Girl's” skirt out into an “A” shape to balance her in a kneeling position.)

2. Why do we fold our arms when we pray?

Help the children understand that moving their hands during the prayer might keep people from listening to the prayer. (Fold “Prayer Children's” arms.)

3. Why do we close our eyes when we pray?

Help the children understand that they are less likely to be distracted by things around them when they close their eyes. They can think of Heavenly Father and what they are saying to him.

(Glue eyelids over “Prayer Children's” eyes to make them closed.)

4. Why do we bow our heads when we pray?

Help the children understand that bowing our heads when we pray shows Heavenly Father that we love, honor, and respect him.

(Bend “Prayer Children's” heads to a bowing position.)
