Cook Time: 30 minutes

Olive Oil Cake

3 large eggs
3/4 cup sugar
1/2 cup olive oil
1/2 cup milk
1/2 teaspoon vanilla extract
1/4 teaspoon almond extract
1 tablespoon orange zest
2 tablespoons orange juice
1 1/2 cups flour
1 1/2 teaspoons baking powder
1/2 teaspoon salt

Preheat oven to 350 degrees. Grease and flour an 8 or 9 inch round cake pan. In a large bowl with a hand mixer, or in stand mixer with whisk attachment, beat eggs and sugar at high speed for 30 seconds. Add oil gradually while still mixing, until combined. Add milk, orange juice, orange zest, and extracts and beat until combined.

Combine flour, baking powder and salt in a seperate bowl. Gradually add flour mixture to egg mixture and mix until combined. Pour batter into prepared pan.

Bake 30 minutes, or until a toothpick comes out clean. Let cool for 10 minutes before removing from pan. Serve warm or cooled. Sprinkle each serving with powdered sugar if desired.

Closing Prayer and blessing on the food.
