Moses Crosses the Red Sea

Description: Help Moses cross the Red Sea by answering questions about Moses and the Israelites.

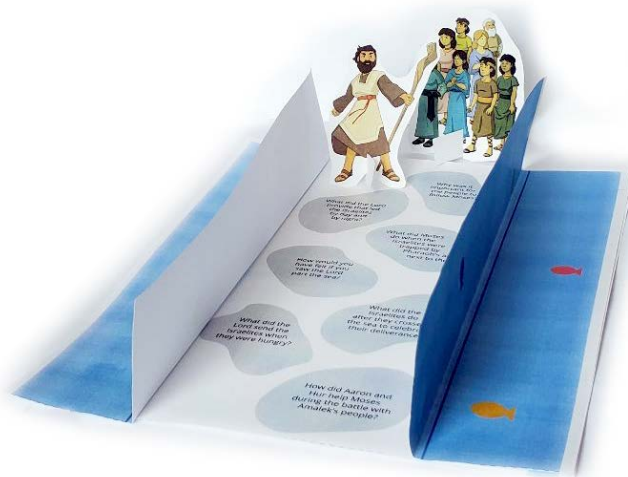

What you need: ■ A copy of the “Moses Crosses the Red Sea” activity, scissors, glue

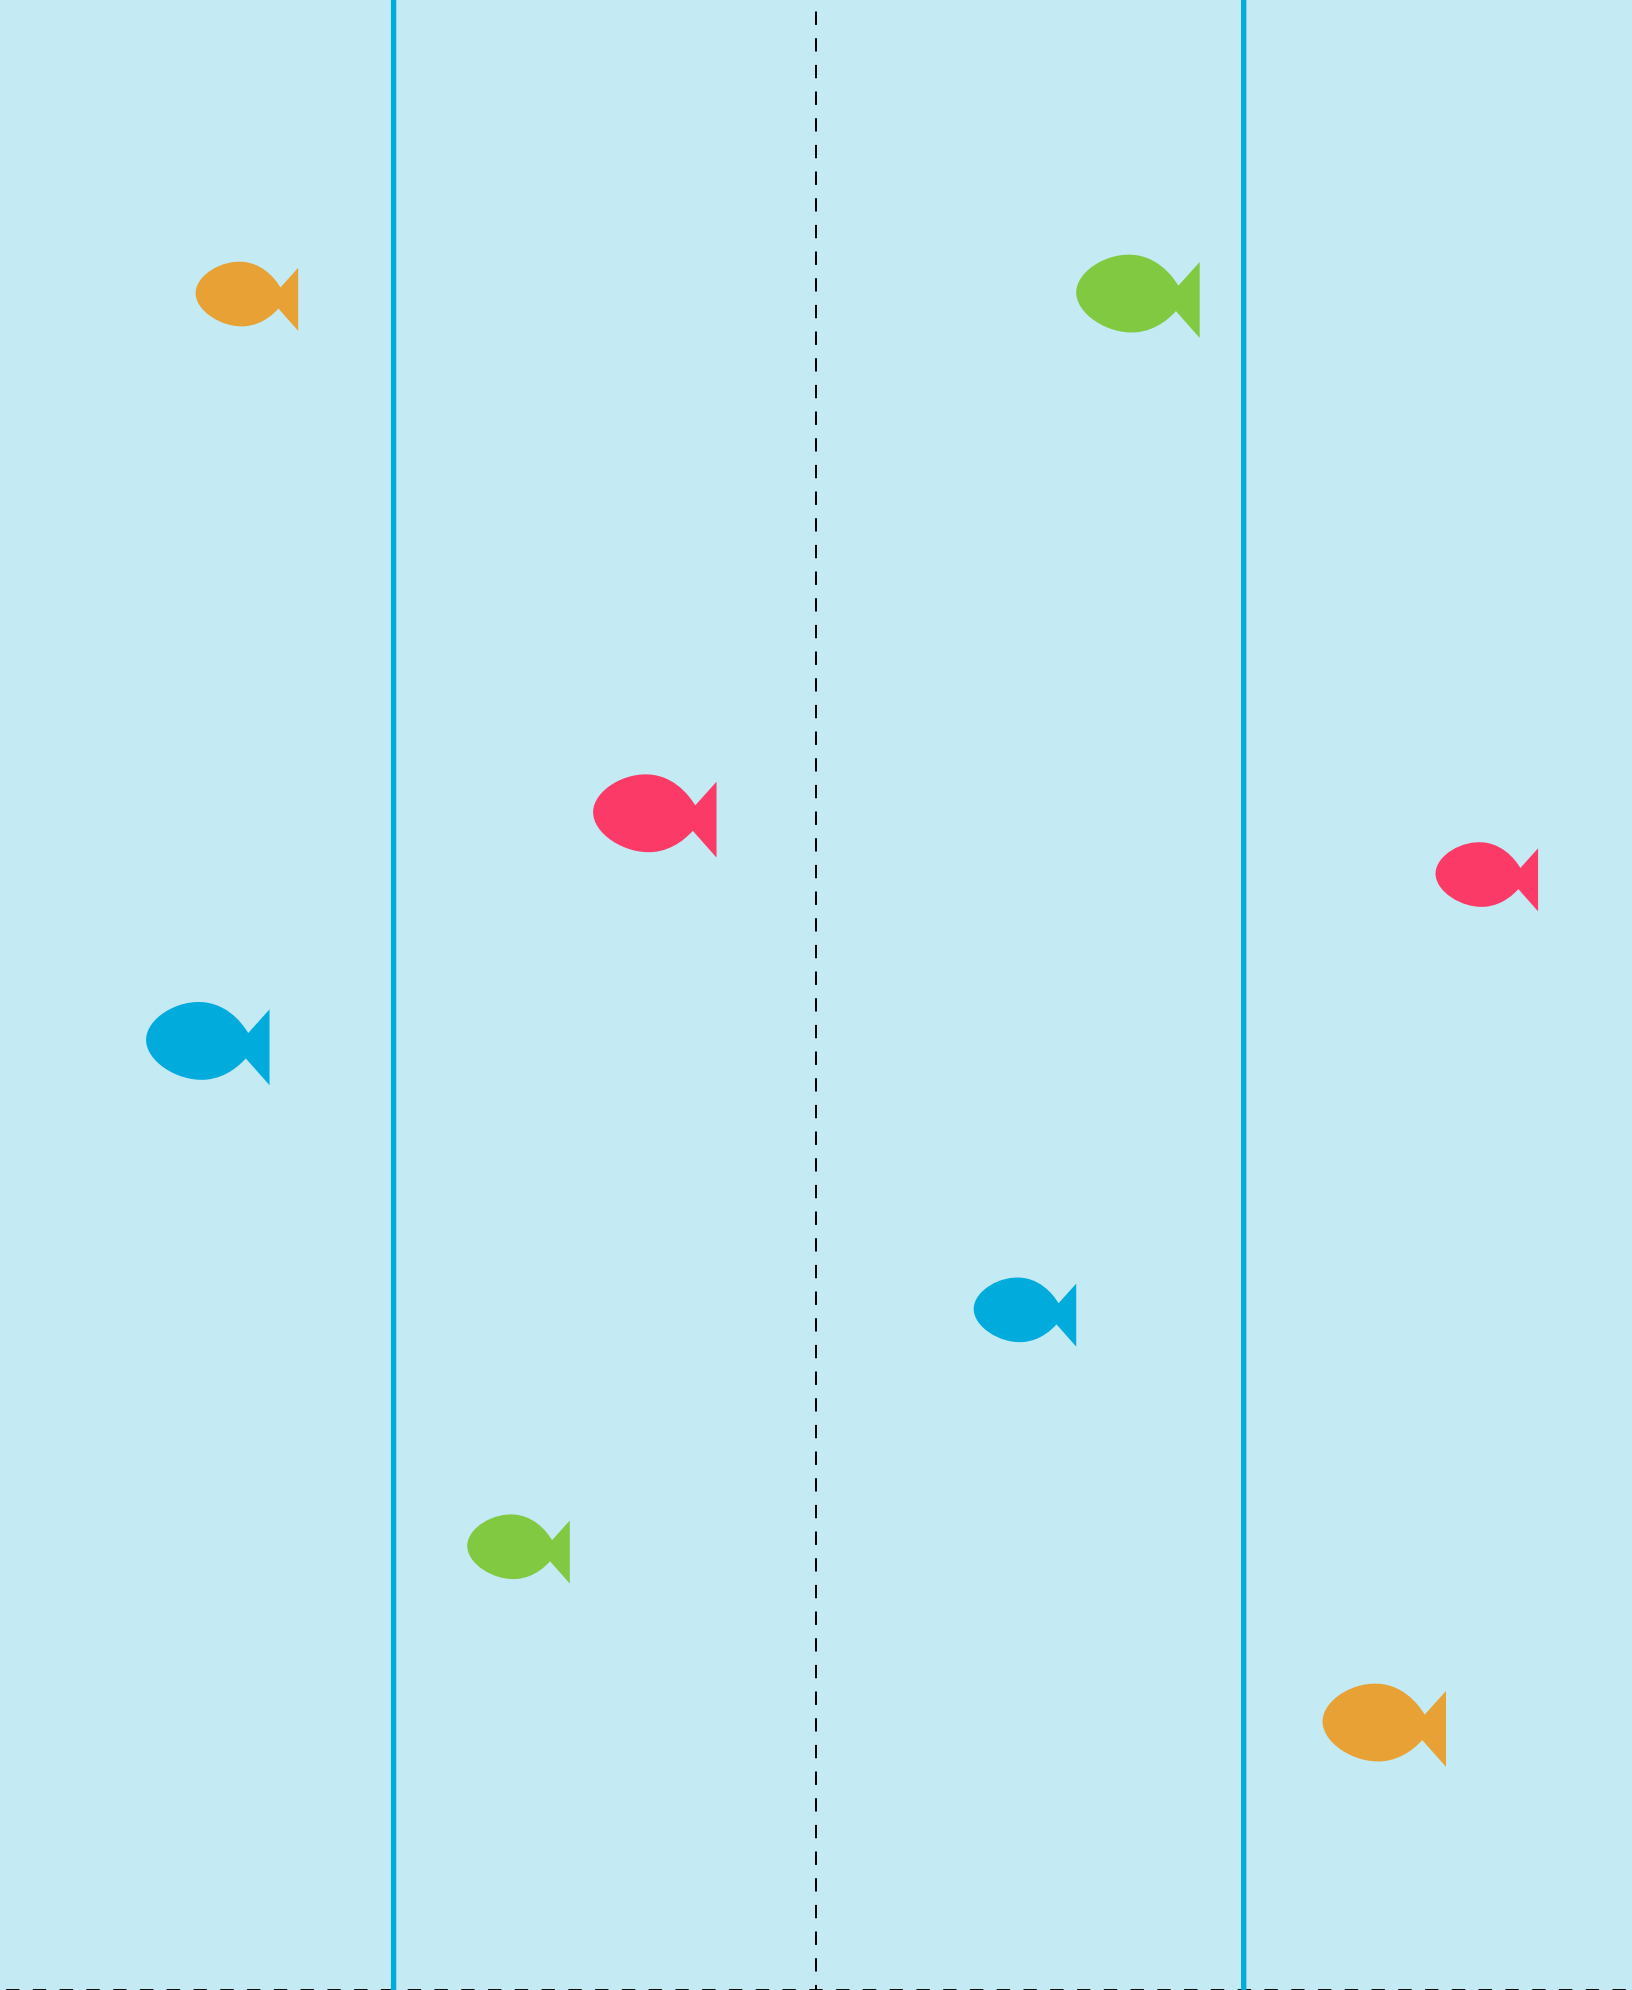

Preparation: Print out the activity artwork. Cut on dotted lines. Fold on solid lines. Glue the “sea” to the “dry land” where indicated. Attach stands to Moses & Israelites

Activity: Show your family the “sea” with the flaps folded down. Explain that your family is going to help Moses cross the sea on dry ground.

Fold up the flaps to show the “rocks” on the “sea floor”. Read the questions together as a family. After you discuss each question, move Moses and his people to that “rock” on the sea floor. Continue answering questions and moving Moses and his people until all questions have been answered and Moses and his people have safely crossed.

If desired, have family members take turns answering the questions instead of answering them together.
