
Activity Time

"Feed My Sheep" Relay

Description: 1. As a family write down ways you can "feed His sheep".
2. Have a relay race to see which team can feed the sheep fastest!

What you need: ■ A copy of the "Feed His Sheep" activity (artwork included with this lesson), scissors, tape, pencils, two buckets, baskets or large bowls.

Preparation: 1. Print out the artwork.
2. Cut apart "I can feed His sheep by..." slips. Cut out sheep.
3. Tape sheep to buckets, baskets or large bowls.

Activity: 1. Ask: In Doctrine & Covenants 35:27, the Savior calls the members of the Church his "little flock." How are we part of the Savior's flock? In the scriptures, the Savior says, "feed my sheep." What does it mean to "feed His sheep?" Give each family member 2 slips to write down ways they can feed His sheep.

2. Talk about the things you wrote down. (Help small children write down their ideas.)

3. Crumple slips into balls (sheep food). 4. Divide family members into two teams. Put the sheep bucket/basket/bowl on the other side of the room, one across from each team.

5. One at a time, a person from each team runs to place a crumpled ball (sheep food) in the sheep bucket to "feed the sheep", and then runs back to tag the next person on their team. The tagged person now runs to "feed the sheep". The race continues until all members on the team have "fed the sheep" twice. The first team to finish wins!

6. Discuss: How can we help each other to "feed His sheep"?

I can feed His sheep by...

I can feed His sheep by...

I can feed His sheep by...

I can feed His sheep by...

I can feed His sheep by...

I can feed His sheep by...
